## Price: $215.45

### Short Description

The Round 3 Port Diffuser Box is typically used in combination with the Diffuser boxes requiring three ducts.

### Description

The Round 3 Port Diffuser Box is used in locations where higher continuous flow is desired, typically exhaust. Each Diffuser Box has three patented clip system receptacles for ComfoTube connections, and the round diffuser duct can be cut to mount flush with ceilings or 2x8 walls.
