

Duplex - double sided tape

Brand: ProClima

Product Code: 1AR02141

Weight: 0.37lb

Dimensions: 5.50in x 1.00in x 5.50in

Price: \$12.15

5 or more \$11.73

30 or more \$11.15

Short Description

Double-sided tape with release paper on one side. For adhesion of interior and exterior membranes to each other and to smooth surfaces. Uses Pro Clima's enhanced PSA acrylic adhesive.

Description

DUPLEX is double sided airsealing tape for durable interior airtight connections between intelligent vapor membranes, aluminum foils, plywood, OSB, wood, hard plastics, steel and metal studs.

- Exterior windtight and waterproof connections of Solitex membranes and other weather resistant barriers to each other and to solid substrates.
- To finish folded loops at windows and doors of Contega SL, FC.
- Adhesion by age-resistant, solvent-and plasticizer-free acrylic – waterproof.
- DUPLEX Application tool allows one handed application (apply, press down and cut off in one motion) – for use with 65' (20m) rolls only.
- 60+ year life expectancy.

Dimensions

- Roll width: 1" (25mm)
- Roll lengths: 65'-6" (20m)
